Hospital-to-Hospital Ambulance Transport CMN

Reason for Transfer: ☐ Service(s) not available at originating facility ☐ Patient / Family Request for Transfer ☐ Insurance Transfer

What service(s)? _____ Additional information: _____

Is this the closest facility capable of performing special service(s)? ☐ Yes ☐ No

If no, which facility is closest? _____

☐ Physician Requests Level of Transport: ☐ BLS ☐ ALS ☐ CRITICAL CARE ☐ RN

I certify that the above information is true and correct based on my evaluation of this patient, to the best of my knowledge and professional training. I certify that this patient requires ambulance transport based on the above information. I understand that this information will be used by the Department of Health Services and the Centers for Medicare and Medicaid Services (CMS) to support the determination of medical necessity for ambulance services, and that I have personal knowledge of the patient's condition at the time of transport.

☐ If this box is checked, I also certify that the patient is physically or mentally incapable of signing the ambulance service's claim and that the institution with which I am affiliated has furnished care services or assistance to the patient. My signature below is made on behalf of the patient pursuant to 42 CFR 424.36 (b)(4). In accordance with 42 CFR 424.37, **the specific reason(s) that the patient is physically or mentally incapable of signing the claim form is as follows:**

_____

Signature of Physician or Healthcare Professional	Print Name	Date: _____
		NPI No.: _____

If signed by a Healthcare Professional other than the attending physician, please indicate title of signer below.

☐ Physician Assistant ☐ Clinical Nurse Specialist ☐ Registered Nurse ☐ Nurse Practitioner ☐ Discharge Planner

Repetitive Ambulance Transport CMN

CERTIFICATE OF MEDICAL NECESSITY

FOR REPETITIVE AMBULANCE TRANSPORT

Only the Physician ordering the treatment requiring transport can complete a Certificate of Medical Necessity.

Repetitive Transport—Three or more trips in a 10-day period or at least once a week for three consecutive weeks. Examples of necessity for repetitive transport may be dialysis, radiation, wound care, etc.

Initial Transport Date: _____ Expiration Date (*Maximum 60 days from date signed*): _____

When a patient's condition is such that an ambulance is required to safely transport the patient, the medical necessity of transport must be certified by the physician. Describe the condition of the patient requiring an ambulance transport (Examples: history of stroke with residual paralysis, inability to sit safely in a chair for longer than 20 minutes, amputation of lower extremity, etc.).

BE VERY SPECIFIC:

Date that client was last seen by the Physician certifying the ambulance transport: _____

Physician's Name (print): _____ Telephone No.: _____

Physician's Signature: _____ NPI No.: _____ Date Certified: _____
